Jordan stresses need for expansion of trade relations with Iran

Chairman of Jordan Chamber of Commerce, Senator Nael Al-Kabariti emphasized Monday on development of economic relations with Iran. He made the remarks in a meeting with Jamshid Noor Salehi, Deputy Minister for International Affairs of Ministry of Transport and Urban Development of Iran on the sidelines of Asian Countries Housing Ministers Conference. "There are good potentials for the expansion of relations between Tehran and Amman in all fields and in particular in the field of economy."

Deputy Minister for International Affairs of the Ministry of Transport and Urban Development of Iran for his part welcomed the expansion of relations between the two countries.

Noor-Salehi also invited Al-Kabariti to visit Tehran. The official also had a meeting with Jordan Secretary General of the Ministry of Industry and Trade, Maha Ali. "There is a plan to hold a joint economic commission between Iran and Jordan in the six months ahead at Tehran; there is trilateral plan to connect Iran, Jordan and Iraq by railroad and transit roads as well as airline," the Deputy Minister for International Affairs of Ministry of Transport and Urban Development of Iran noted. Noor-Salehi invited Maha Ali to visit Iran and attend the upcoming joint economic commission, adding that there are good potentials to expand cooperation in the field of energy.

A preparatory meeting for the 4th Asia Pacific Ministers' Conference on Housing and Urban Development (APMCHUD) was held in Amman on last Thursday. Jordan's Minister of Public Works and Housing Yahya Kisbi said that Jordan hopes that the conference, scheduled to be held in Amman next October, would be an opportunity to exchange views, expertise and policies on various housing-related issues. The participants outlined their countries' expertise in housing field, stressing the need to enhance cooperation among member states. They said that the conference would offer a unique framework and opportunity to share new perspectives, ideas and best practices among the participating countries.

The 4th Meeting of Bureau of the Asia Pacific Ministerial Conference on Housing and Urban Development (APMCHUD) was held in Jakarta, on 6-7 August 2009. APMCHUD is an inter-governmental organization in Asia Pacific region that aims to increase regional cooperation to solve urbanization problems and promotes sustainable urbanization strategy. The meeting was attended by several Ministers of the Bureau member from Indonesia, Iran, India, Pakistan, and China whose delegated its Embassy Counselor. Qatar and Armenia were not present. Indonesia Delegation led by State Minister of Housing and consisted of delegations from Ministry of Public Works, State Ministry of Housing, Ministry of Foreign Affairs, and Indonesian Embassy in Nairobi.

In the other hand, related to agenda meeting of strengthening the structure of APMCHUD Permanent Secretariat, Bureau Meeting decided it must be reviewed by all member countries at the next APMCHUD. The issue of APMCHUD membership has been discussed among Bureau members. It has agreed that we need further efforts to promote participation of the wider Asia Pacific countries. In this case, discussion of APMCHUD agenda in Solo had valued more important which hopes it could support the implementation of APMCHUD agenda related sustainable urbanization. As we know, discussion about APMCHUD agenda already started in New Delhi 2006 (it made outputs Vision of APMCHUD), Tehran 2008 (it made outputs Tehran Declaration as Action Plan of APMCHUD).

Romania's ambassador to Jordan visits Salt Chamber of Commerce

Romania's ambassador to Jordan, Bogdan Filip, on Wednesday expressed his country's desire to increase its commercial cooperation with Jordan, stressing the strong relations between the two countries. During a visit to Salt Chamber of Commerce, he highlighted commercial activities in Romania and its commercial chambers. The ambassador called for further cooperation between the two countries' chambers of commerce, noting that Jordanian products are highly welcomed in Romania because of their high quality. Saad Hiyari, president of Salt Chamber of Commerce, highlighted the country's conducive investment environment and briefed the ambassador on the mission of the chamber which serves more than 6,000 commercial companies and institutions.

Department of Statistics puts inflation at 3.6% during first quarter of this year

The Consumer Price Index (CPI), a measurement of inflation, rose by 3.6 per cent during the first quarter of this year compared with the same period of 2011, according to the Department of Statistics (DoS) figures. Whereas prices of meat and poultry products went up by 8 per cent, rents by 4.2 per cent, milk and dairy products by 15.5 per cent, clothes and footwear by 5.8 per cent, prices of vegetables dropped by 13.5 per cent, fruits by 4.6 per cent and cereals by 2.1 per cent. The CPI went up by 3.7 per cent in March of this year compared with the same month of 2011 due to higher prices for transport services, vegetables, fruits, milk and dairy products. DoS relies on 2006 as the base year in calculating these figures.

Hassan, British team discuss means to back development projects in Jordan

Planning and International Cooperation Minister Jafar Hassan on Wednesday discussed with a delegation from the British House of Lords and Commons means to boost the United Kingdom's support for development projects in Jordan. Hassan briefed the delegates on economic difficulties facing the country and he highlighted reform programmes. The two sides discussed means to enhance the UK's contribution to the development process, stressing the strong Jordanian-British relations. The British delegation expressed the UK's desire to develop cooperation between private sectors in the fields of technology and energy. Jordan and Britain will hold their first strategic economic dialogue session in May and the private sector is scheduled to take part.

DEFENITIONS

P/E: Price / Earnings per Share ratio.

Price is the share price for the day.

Earnings per share (EPS) ratio is calculated by dividing the Income attributable to shareholders for the trailing 12 months by the number of shares.

P/BV: Price to Book Value.

Price is the share price for the day.

Book value per share is calculated by dividing the Shareholders Equity by the number of shares.

Dividend Yield: Cash Dividend per Share / Share price for the day

The calculated dividend yield is based on the assumption that dividends to be distributed for current year are the same as dividends distributed for the previous year.
